Jerry H. Hodge School of Pharmacy

BECAUSE YOU GAVE...

I want to thank you very much for your act of kindness. I have been blessed to have worked in a community pharmacy for three years and have seen first hand just how big of an impact pharmacists can make to the patients. I know that becoming a pharmacist is a way for me to help and maybe impact patients like I have witnessed before. This scholarship allows me the financial support and the opportunity to one day be that difference and I am beyond grateful for it.

WITH YOUR SUPPORT, I CAN...

I have been taught in life that nothing gets handed to you and that you have to work as hard as you can for what you want. My parents have been my rock through my educational journey, but throughout school I have chosen not to burden them with my educational finances. This scholarship gives me the ability to relax a little when it comes to funding my future career. Throughout my undergraduate degree I worked full time so being awarded this scholarship it allows me to step back and focus more on my studies.

WHY I CHOSE TTUHSC...

I decided that I wanted to be apart of the Jerry H. Hodge School of Pharmacy at TTUHSC when I was in eight grade. There was a school job fair and a speaker came to talk about becoming a Pharmacist and she had attended TTUHSC. I was amazed by her words of wisdom and encouragement to pursue the career and the school. Later when I visited TTUHSC, it felt like home and that was were God lead me to be. I am truly grateful to be apart of this great community and learn from the best.
