**KAITLYN DRENNAN**

Jerry H. Hodge School of Pharmacy

## **BECAUSE YOU GAVE...**

Thank you so much for providing this scholarship and helping to lessen the financial burden placed on my family as I pursue my degree. I am excited for the opportunity it affords me to pursue my passion for healthcare and serving those in the Big Country while also helping to ease my mind about how I am going to make ends meet for my family throughout the year!

## **WITH YOUR SUPPORT, I CAN...**

The provision of this scholarship will help to lessen the financial burden felt by myself and my young family as I pursue my Doctor of Pharmacy at TTUHSC. As a mother of young children, the sacrifices we make to allow for me to attain my goal of being the first in my family to achieve an advanced degree are innumerable and this gift will help alleviate some of the financial constraints my education places on us. I am beyond grateful for this gift and will be using it to help pay tuition for the upcoming school year!

## **WHY I CHOSE TTUHSC...**

I chose the Texas Tech University Health Sciences Center due to their mission to serve West Texas through both bringing students to the area from all around the country and developing healthcare professionals with a passion for serving the area's population. After moving to Abilene to pursue my undergraduate degree from ACU, I quickly fell in love with the area and the people and developed a desire to stay in and serve the area in some capacity, and TTUHSC offered the ability to further my education in a small school environment with a big school name and standards!
