## BECAUSE YOU GAVE...

Thank you so much for the scholarship! I will be using the funds to relocate to Lubbock in November to finish up my remaining rotations. I will also be completing my rural rotation in Brownfield and hope to obtain an additional community rotation in Floydada so I will be using the funds to help cover the expenses of commuting back and forth. This scholarship greatly helps me to pursue my dreams of providing healthcare in rural agricultural towns similar to the one I am from. Thank you again, I greatly appreciate it!

## WITH YOUR SUPPORT, I CAN...

I will be moving to Lubbock in November for my remaining rotations so I will use the scholarship funds to cover the costs that I will incur with my move. I will also be completing my rural rotation in Brownfield and will be commuting back and forth so the scholarship will greatly help cover gas money.

## WHY I CHOSE TTUHSC...

I was first attracted to TTUHSC because I felt like it's values aligned with mine. I grew up in a rural town with poor access to healthcare so I really appreciated the fact that TTUHSC had such an emphasis on providing quality healthcare to underserved rural communities. The fact that TTUHSC offered so many clinical hours was also a huge bonus.
