## BECAUSE YOU GAVE...

I am so grateful for your kindness and generosity. With this scholarship, I plan to continue the School of Pharmacy program through TTUHSC to become a well-educated yet ever-learning healthcare professional. Thank you again for all you do for myself and the TTUHSC family, and thank you again for this scholarship.

## WITH YOUR SUPPORT, I CAN...

This scholarship will help tremendously to lessen the financial stress during this time. Due to COVID-19, hours have been cut at my place of work and I have been picking up all of the shifts that I can during the Summer months. Now that school is starting up again, I will be unable to work as often. With your kindness, I will be able to focus more on my schoolwork instead of payments for my car and housing. Thank you again.

## WHY I CHOSE TTUHSC...

Many of my family members graduated from TTU, and I was one to follow in their footsteps. I graduated with a Bachelor's in Nutritional Sciences from TTU in Lubbock. I found that TTU was centered around community and family, and I wanted to continue to be surrounded by those same values as I continued my career at TTUHSC. They are teaching me all that I need to know to be a successful healthcare professional. This scholarship will help to continue my education for a long career of patient centered care.

## **BECAUSE YOU GAVE...**

I am so grateful for this scholarship. Thank you so much for this opportunity. College.univeristy is very expensive, and can be very hard to manage for a middle class family. My sister is also going to college as the same as me, so any help financially really goes a long way. I am going to make full use of the scholarship and try to do the best I can in school. I will try to land my dream job in pharmacy, then give back to another TTUHSC student as you have done for me.

## **WITH YOUR SUPPORT, I CAN...**

I will use these funds to pay for pharmacy school and continue my education at an excellent school. This award is a blessing, and I am so grateful for it. It will allow me to pursue my passion in pharmacy. I will use the money towards TTUHSC school tuition to achieve my dreams.

## **WHY I CHOSE TTUHSC...**

I chose TTUHSC because it is a renowned school, and I feel it is the best place in Texas to get a pharmacy education. TTUHSC prepares its students for all lines of work in pharmacy, getting the students hands on experience starting from the P1 year. I love the importance of on site rotations and clinical experience that TTUHSC stresses.

## BECAUSE YOU GAVE...

Thank you so much for this scholarship! As a mother to an 11 month old, balancing finances and education is difficult. With this scholarship, I'm one step closer to my goal. I graduate this upcoming May and I hope to go into residency and ultimately become a pharmacist in the ambulatory care setting. I hope specifically that I can work with veterans in the VA and give back to the community.

## WITH YOUR SUPPORT, I CAN...

This scholarship will help me pursue my education goals without having to worry about money. I am currently in my last year of pharmacy school and as such, I am looking into residency. This scholarship will help me afford the travel cost for interviews and applications. It is one less worry that I have thanks to this scholarship.

## WHY I CHOSE TTUHSC...

I chose to attend TTUHSC because of all the opportunities it has provided my family. I attended Texas Tech for my B.S in Biology, and I was lucky to continue my education in the TTUHSC Pharm.D/MBA dual program. While I am completing my degree, my husband also has the chance to attend Texas Tech to study chemical engineering. Texas Tech University System has helped my family balance both school and family through their great faculty that is always willing to help.

## BECAUSE YOU GAVE...

I want to thank you for your generosity. I truly appreciate you making this scholarship possible. I cannot thank you enough for the positive impact that your gift will have on our family. I hope you know the impact you have had on TTUHSC students how greatly you have blessed our lives.

## WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to take one step further to my dream of a Pharm. D. From the time I was a young girl, it has been my goal to give back to the Abilene area, and your generosity will help me achieve that goal by helping with expenses associated with my education. Thanks to you, I will be able to accomplish my dreams without financial burden. This will allow me to focus on my goals and serve our community to the best of my ability.

## WHY I CHOSE TTUHSC...

I chose TTUHSC because of the renowned education associated with the Pharm. D. program. In addition, I chose TTUHSC because they have an Abilene campus. Having grown up in Buffalo Gap, I am the definition of a hometown girl. I have always felt a calling to remain in the Abilene area and serve our community along side my husband, a proud Abilene firefighter, and our family. TTUHSC has allowed me to develop relationships within the community that will allow me to continue to serve both in my role as a pharmacist and as a volunteer reaching out into the community.

## BECAUSE YOU GAVE...

Thank you so much for your generous support to students like me. I cannot emphasize enough how appreciative I am and how much these funds help to motivate me to continue to work hard to achieve my goals. Upon graduation next May, I hope to pursue a residency in either adult medicine or ambulatory care where I can then return to West Texas and provide care in rural communities. I am grateful to be the recipient of this scholarship, and I hope that one day I am able to give back to students to come as you have for me.

## WITH YOUR SUPPORT, I CAN...

As a P4, there are a lot of extra costs that come with this final year of school. I will be traveling for my clinical rotations, applying to residency programs, traveling for interviews, and preparing to take my licensing exams. All of these things come with costs that are not included in standard tuition. Scholarships like these help tremendously in being able to carry out these endeavors and are very rewarding to the time and effort I have spent to get to this point. They not only provide financial support, but also motivational support to keep working hard.

## WHY I CHOSE TTUHSC...

Growing up in Sweetwater, I understand the importance of supporting local programs in West Texas. I am so appreciative that TTUHSC has a campus in Abilene and that, as a whole, Texas Tech puts an emphasis on centering their programs around caring for the greater West Texas rural population who largely go underserved. In addition to these values, when I toured the campus I loved the close-knit culture and knew this was where I wanted to attend after I graduated from UT. I have enjoyed my time at TTUHSC and know they have prepared me to achieve my goals.

## BECAUSE YOU GAVE...

I would like to thank the donors and everyone at the TTUHSC who made this scholarship opportunity possible. I am grateful to be one of the recipients for this scholarship and I hope to continue experiencing growth as a pharmacy student. I hope to make everyone proud by servicing my patients and my community to the best of my ability.

## WITH YOUR SUPPORT, I CAN...

I will use this scholarship to help for my educational needs as I pursue my passion in the pharmacy profession. This money will go towards my tuition and help pay for my time as a student at the TTUHSC in Abilene, TX. This will give me more financial freedom to purchase other necessities for school.

## WHY I CHOSE TTUHSC...

I went to Texas Tech University for my B.S. in Microbiology. I loved being a Red Raider then and I love being a Red Raider now. I didn't need to visit to know that I would feel right at home in Abilene. The TTU/TTUHSC system ensures that everyone is prepared for success and welcomes you with open arms.

## BECAUSE YOU GAVE...

Thank you so much for your generous donation towards students and their education. I've wanted to be a pharmacist since the 6th grade and have been a Pharmacy Technician since I was 18. This is my dream, and your kindness has helped me move that dream forward with a significant amount of stress taken off my shoulders. I will use these times and funds to involve myself and apply myself, every extra opportunity I now get.

## WITH YOUR SUPPORT, I CAN...

These scholarship funds will be used towards living expenses. This allows for me to work less during the school year than previously expected, and not worry as much about balancing my finances with my school. With these gracious funds, I will be able to focus more on my studies, being active in organizations, and contribute more to my community.

## WHY I CHOSE TTUHSC...

I come from a long line of Texas Tech alumni! If you asked me where I would be attending college as a child, my answer was always "Texas Tech, like my dad." I have always been proud to be a Red Raiders, and even more so when I finally got to experience the inviting and loving atmosphere associated with both Tech Campuses I have been honored to attend. I know the TTU Health Science Center is preparing me for my future, and I am excited to see how far I can go from here!

#### **BECAUSE YOU GAVE...**

This scholarship really is a blessing. Taking out loans and thinking about how I'm going to pay for another school year is always a stressful period in my life. Having this bit of financial help relieves some of that burden. My goal is to become the best pharmacist I can be so that I can help others and this scholarship will help me get there. Thank you very much!

#### **WITH YOUR SUPPORT, I CAN...**

These funds will help lessen the financial burden that comes from being in pharmacy school and living away from home. I will most likely use them to pay for the summer rotation that I am doing right now. These funds are definitely a blessing and I am very appreciative to have received them.

#### **WHY I CHOSE TTUHSC...**

When I first applied to TTUHSC, it was actually my last choice out of all the schools I applied to. However, I interviewed for Tech before I interviewed for any other schools. After coming to the Abilene campus for my interview I knew that there wasn't anywhere else that I would rather be for the next four years. I canceled all of my other interviews and accepted the admissions offer from Tech. It was one of the best decisions I have ever made.

### **BECAUSE YOU GAVE...**

I am very grateful to be receiving this scholarship for a second time. It helps me be able to chase my dream of becoming an oncology pharmacist while also being able to worry less about the amount of loans I will have to pay back in the future. As someone who grew up without a lot, it is important to me that I am able to provide a life for my family that I never had, and any additional awards that eliminates the amount of loans I have to take out helps tremendously!

### **WITH YOUR SUPPORT, I CAN...**

Receiving this award relieves some of the financial burden that comes with a professional program. It will help pay for things such as rent and groceries for part of the semester. This will allow me to focus on school work instead of feeling like I need to pick up more shifts at work.

### **WHY I CHOSE TTUHSC...**

When I first decided that I wanted to go to pharmacy school, I spent countless hours at the computer doing research on all of the pharmacy schools in Texas. One thing that led me TTUHSC was the amount of rotation and real world experience hours required compared to other schools. I am a hands on learner so I knew the more time I spend in a pharmacy and not just sitting in a classroom would benefit me in the long run. Additionally, I was born and raised in West Texas, and I couldn't wait to get back after undergrad.

### **BECAUSE YOU GAVE...**

I really appreciate your kindness in making this scholarship possible for me! I am doing everything I can to be the best pharmacist I can be and hope to one day work in a clinical setting helping patients in the hospital. With your donation, I am able to further my knowledge and learning, which I hope to eventually give back to my patients through my care. This scholarship takes some of the financial burden and worry off my shoulders, and really means a lot to me. Thank you!!

### **WITH YOUR SUPPORT, I CAN...**

I plan to use this scholarship to help pay for the conferences I will be attending this year. I am on my own financially and take out loans each semester to pay for school and all of my living expenses. My goal is to get into a residency program and going to pharmacy conferences is almost necessary in order to network and find out more about different programs. The cost of registration and travel is extremely expensive, so having these funds will definitely help me be financially able to accomplish my goals.

### **WHY I CHOSE TTUHSC...**

I chose to attend the TTUHSC School of Pharmacy after learning that the curriculum focused on clinical pharmacy. I feel like this program really prepares students for any area of pharmacy they want to pursue and pushes us to be excellent in everything we do. I have felt so welcomed and accepted here. It's really encouraging that the faculty and staff try to get to know us personally. I have such a good professional relationship with the preceptors I've worked with and am really thankful for my experience here so far.

### **BECAUSE YOU GAVE...**

I have and will always be a healthcare professional that strives to serve the underserved communities as my career progresses. As an international student from Canada paying for tuition has been a challenge and this scholarship definitely offers relief to the financial burden of being a student, especially living during the COVID-19 pandemic. My goals are to further my education by becoming a clinical pharmacist in which I will be pursuing a residency even after I obtain my Pharm D. degree. I am truly appreciative of being a recipient of this award. Thank you so much for this scholarship.

### **WITH YOUR SUPPORT, I CAN...**

Because of this scholarship award, I am now able to afford to pay for board exam preparation courses such as RxPrep which will be of great help as they are one of the highly recommended courses students use in their P4 year. The funds from this scholarship will also be allocated to paying for the registration costs for both the NAPLEX and MPJE exams.

### **WHY I CHOSE TTUHSC...**

As an international student coming from Canada, I did a lot of research about the different pharmacy schools in Texas, and the TTUHSC SOP program stood out to me from the day of my interview in Abilene. The community at TTUHSC in Abilene during my visit felt welcoming to students from all backgrounds and which was ultimately why I chose to attend TTHUSC. Being in this school made me realize how well rounded our educational program is and the amount of exposure to different areas of pharmacy that we begin to experience even from our first year.

## BECAUSE YOU GAVE...

Thank you for your support. I am honored to receive your scholarship and am dedicated to becoming a pharmacist that provides exceptional patient care. By investing in my future you are also investing in all the patients that I will one day serve. Thank you again for your generosity and I will strive to provide a student the same opportunity as you have given me in the future.

## WITH YOUR SUPPORT, I CAN...

These scholarship funds will greatly help me advance in my career as a pharmacist. I will be utilizing the funds for tuition as well as other expenses including study material, the NAPLEX, and MPJE, which are essential in becoming a licensed pharmacist. I will also be able to focus more on my rotational experiences and classwork resulting in a deeper understanding of the material. As this is my final year of pharmacy school, the funds will greatly help me as they will provide me with the opportunity to experience different fields of pharmacy to find my niche.

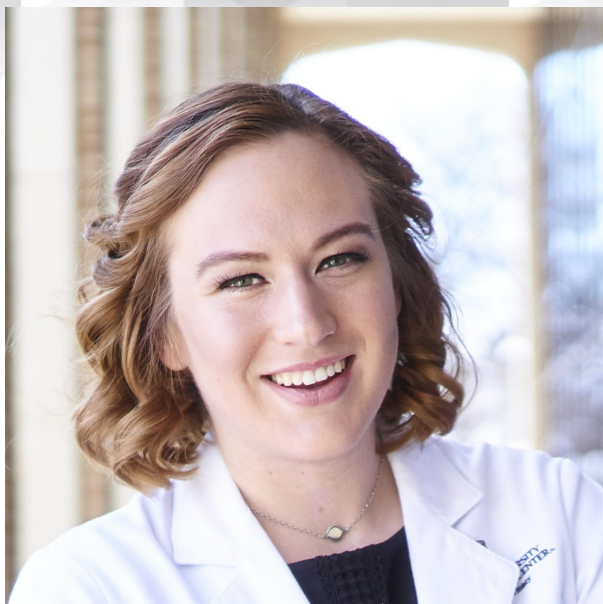

## WHY I CHOSE TTUHSC...

I am originally from Michigan, and my husband is in the United States Air Force stationed at Dyess AFB in Texas. I visited TTUHSC Abilene and immediately fell in love with the strong sense of community. In my three years at TTUHSC Jerry H. Hodge School of Pharmacy, I have been provided extraordinary clinical experiences and the opportunity to grow professionally. TTUHSC has provided me with a strong education and a network that will help me succeed as a pharmacist.

## **BECAUSE YOU GAVE...**

Thank you so much for providing this scholarship and helping to lessen the financial burden placed on my family as I pursue my degree. I am excited for the opportunity it affords me to pursue my passion for healthcare and serving those in the Big Country while also helping to ease my mind about how I am going to make ends meet for my family throughout the year!

## **WITH YOUR SUPPORT, I CAN...**

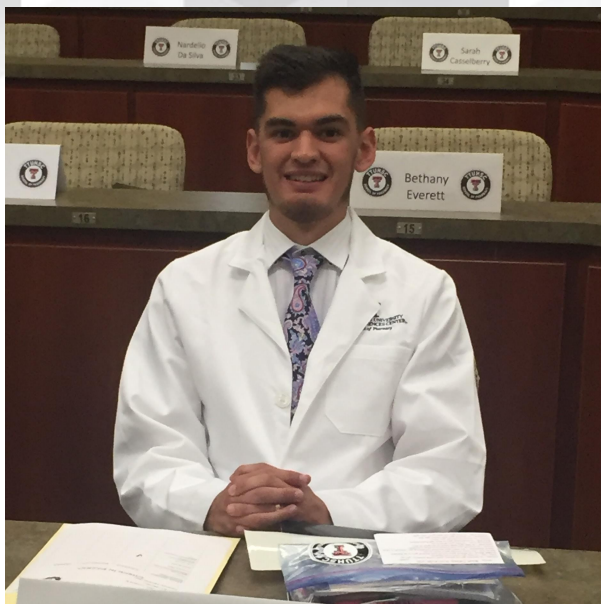

The provision of this scholarship will help to lessen the financial burden felt by myself and my young family as I pursue my Doctor of Pharmacy at TTUHSC. As a mother of young children, the sacrifices we make to allow for me to attain my goal of being the first in my family to achieve an advanced degree are innumerable and this gift will help alleviate some of the financial constraints my education places on us. I am beyond grateful for this gift and will be using it to help pay tuition for the upcoming school year!

## **WHY I CHOSE TTUHSC...**

I chose the Texas Tech University Health Sciences Center due to their mission to serve West Texas through both bringing students to the area from all around the country and developing healthcare professionals with a passion for serving the area's population. After moving to Abilene to pursue my undergraduate degree from ACU, I quickly fell in love with the area and the people and developed a desire to stay in and serve the area in some capacity, and TTUHSC offered the ability to further my education in a small school environment with a big school name and standards!

### **BECAUSE YOU GAVE...**

Growing up my dreams were not always believed in by those outside of my friends and family. My dream has always been to share my knowledge to help others those some believe I would not be able to do this. I was judged by my speech impediment or my perceived inability to talk to others confidently. This lead me to think others would not believe in me. I have come to see that others do believe in me and this scholarship proves that. Thank you for showing me that people believe in me and that I can fulfill my dream.

### **WITH YOUR SUPPORT, I CAN...**

Throughout my life I have relied on my family and wife to support me and my schooling financially. My wife works hard as a third grade math teacher at Wylie elementary and my parents help pay for tuition. Even though I work at Hendrick Medical Center part time I can only work so much without affecting my grades. At times I feel that I cannot help support my schooling and cannot repay those that help me. This scholarship will help me and my wife pay for tuition and help me feel that my family is not solely supporting me financially.

### **WHY I CHOSE TTUHSC...**

As I finished my undergrad degree at Angelo State University I was wanting a career that would allow me to have a family and support that family. Alumni that attended TTUHSC Abilene would come and talk about the school and the profession. After visiting the school I was eager to apply and interview. Since my father is a TTU alumni and former saddle tramp I have always wanted to graduate from a Texas Tech school to continue the tradition. The Abilene campus gives me a chance to continue that tradition and felt like home and has lead to lasting friendships.

#### **BECAUSE YOU GAVE...**

I wanted to thank you for providing a scholarship such as this to ensure that students like myself can achieve their professional goals. I know I can speak on behalf of many students when I say that we're very grateful for these funds. It really means a lot to us that we don't have to worry as much on methods to acquire money to sustain our livelihood while having to balance the rigor of a pharmacy program.

#### **WITH YOUR SUPPORT, I CAN...**

These funds will be used to ensure that I can afford healthy meals providing me with adequate nutrition. Too often am I quick to defer to fast food due to easy convenience, but my general health takes a dip as a consequence. Thus, I can use these funds to purchase bread with whole grains, fruits and vegetables, and heart-healthy frozen dinners for nights when I'm up late studying but crunched for time.

#### **WHY I CHOSE TTUHSC...**

Prior to becoming a student or even interviewing here at TTUHSC, I was not aware that this institution had existed since I'm originally from California. However, after hearing about this school on an online forum, I looked into TTUHSC. Fast forward half a year later, I found myself at TTUHSC, studying pharmacy in this city, and I know I made the right choice for pharmacy school.

## BECAUSE YOU GAVE...

Thank you very much for seeing the potential in me. I'm a non-traditional student, and often times I feel that this puts me at a bit of a disadvantage. The costs of pharmacy school are 100% mine to bear, but with assistance from you, it makes things just that much easier for me. I plan to become a nuclear pharmacist and care for patients in underserved areas.

## WITH YOUR SUPPORT, I CAN...

These funds will allow me more breathing room when it comes to handling the various costs and fees that accompany pharmacy school. We must pay out of pocket for travel related to our rotations, particularly those that take us out of the state, and I plan to use this scholarship to assist with that cost. It also helps me take less money out for loans.

## WHY I CHOSE TTUHSC...

I've worked extremely diligently to qualify for Pharmacy school, and after I submitted my PCAT scores, I received invitations from both Texas A&M and TTUHSC. My father was an Aggie, but when I went to the interview here in Abilene, I felt the immense love that the faculty had for the students. A&M's invitation had already been accepted, but I canceled so that I could be a part of the TTUHSC family here.

## **BECAUSE YOU GAVE...**

Thank you very much for this financial assistance! Your generosity allows me to participate in academic organizations and research that will prepare me to be the best clinician possible. Not having to worry about financial burden allows me to enhance my education with extracurricular activities that will make me a competitive candidate for residency. I plan to pursue two years of postgraduate residency in order to become board-certified in my chosen specialty. This scholarship allows me to spend time in the community by providing wellness checks during health fairs and teaching local children about asthma during afterschool programming.

## **WITH YOUR SUPPORT, I CAN...**

These scholarship funds will be utilized to cover my tuition. This will allow me to continue my involvement in academic organizations, research activities, and community outreach without worrying about financial burden. Having financial assistance is invaluable to me because it allows me to continue to pursue my goal of becoming a pharmacist.

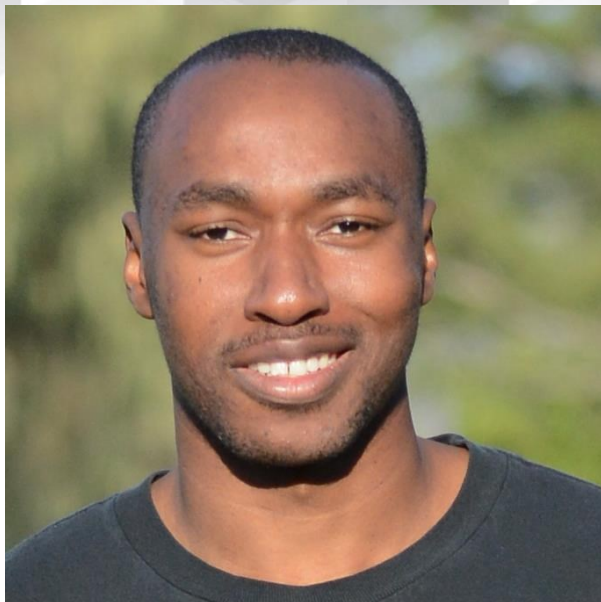

## **WHY I CHOSE TTUHSC...**

I chose TTUHSC because it offered the experiential education and dual-degree programs I wanted from my education. TTUHSC requires the most clinical rotation hours in their pharmacy program, so I knew when I graduated I would be prepared and have experience to utilize when I obtained my first job. The dual-degree Pharm.D./ Master in Business Administration was a requirement for me because I plan to be working in an administrative capacity during my career. TTUHSC's proximity to my family's home was a must because I come from an agricultural background, where my assistance is sometimes necessary to complete livestock care.

This scholarship is a reminder that there are great people in the community that are willing to help and invest in the future of their community, state and country. My goal is to be an ambulatory pharmacist and this scholarship has made the road to this goal easier. It means a lot. Thank you so much!!!

## WITH YOUR SUPPORT, I CAN...

I will use the funds to help pay for my tuition for the upcoming year. This will allow me to use less from financial aid which is very helpful for me in the future. This also applies to my rent for the year. I will also be using these funds to purchase supplementary materials for school such as NAPLEX study guides and Drug charts.

## WHY I CHOSE TTUHSC...

I chose to attend TTUHSC for multiple reasons. The initial being the cost and location. I am from out of state but i have family members here in Texas. The lower cost compared to many schools drove me to apply. I was very impressed during my interview especially with the faculty and staff. They were very friendly and helpful and they also emphasized their willingness to help me succeed in school. ## BECAUSE YOU GAVE...

Thank you for providing me with this scholarship. As the oldest of 4 children (3 of which are pursuing higher education) it can be difficult at times for my parents to help me pay for all of my school fees. ### **BECAUSE YOU GAVE...**

I want to thank you for your assistance, as it is a tremendous privilege to again be awarded the Willy I., Wanda and W.F. Martin Current Use Pharmacy Scholarship. I greatly appreciate your generosity in helping me further my education, as this would not be possible without your continued support. I am thrilled to be given the opportunity to continue my journey here at Texas Tech University Health Sciences Center in Lubbock. Again, I want to thank you for your kindness in awarding me with this scholarship. It is with your help that I am able to pursue my education.

### **WITH YOUR SUPPORT, I CAN...**

Upon completing my bachelor's degree, I am now paying for another four years of schooling on my own. This scholarship helps relieve some of the financial burden that comes along with the student debt that is acquired while pursuing a doctorate degree. Therefore, any financial assistance is very helpful and much needed as I pursue my life goals and continue my education. With the help of this scholarship I am truly blessed to be a part of and contribute to such an amazing university that provides me with numerous opportunities to better myself.

### **WHY I CHOSE TTUHSC...**

I graduated from Texas Tech University in 2018, receiving my Bachelor of Science in Animal Science. I quickly fell in love with the tradition and ambiance of Raiderland. There was no doubt that if I was given the opportunity, I would continue my education as a Red Raider. TTUHSC has given me the opportunity to pursue my career as a future pharmacist for the purpose of continuously improving healthcare specifically in West Texas. I have always called West Texas home, and there is nowhere else I would rather pursue my chosen career path.
