## BECAUSE YOU GAVE...

Thank you for making these funds possible. I heavily appreciate scholarships because they help me pay tuition so I can continue to pursue my PharmD. Upon graduation, I am excited to become a practicing pharmacist in my community. These funds are very meaningful due to the fact that education in 2020 is expensive. I am glad to have received this aid.

## WITH YOUR SUPPORT, I CAN...

I will use these funds on tuition to allow me to get my PharmD. I will be gracious to use these funds towards school materials as well. I will be able use less loans to achieve my education, and pursue my goals. I will work hard to have these funds renewed for my future education.

## WHY I CHOSE TTUHSC...

I chose TTUHSC because I am a Red Raider since birth. I am proud to be a part of the family and am looking forward to graduating from this university. I enjoy the family aspect of TTUHSC and how we are taken care of. I am glad to be a Red Raider for life.

## BECAUSE YOU GAVE...

I am truly honored to be a recipient of this scholarship. I am also truly honored to have been part of the Albertson's Safeway Inc. by working as a pharmacy technician at Tom Thumb Pharmacy in Dallas. It was while working there that I knew I wanted to pursue a career in pharmacy. I look forward to serving the community with the knowledge and skills that I acquire once I begin my career. Your gift will be a great help to me financially and an encouragement for more academic achievements. I sincerely thank you for your generosity.

## WITH YOUR SUPPORT, I CAN...

This scholarship will mainly help me pay my tuition fees for Pharmacy School. It will also aid me in buying any school supplies that I might need. It will also help me cover my transportation cost and other necessities like food. All these will help me in getting closer to my goal.

## WHY I CHOSE TTUHSC...

I chose the Texas Tech School of Pharmacy as they aid in research-based learning. They also offer many opportunities for clinical and community training to interact with the community as part of their academics. Also, having an elder sister who already attended this prestigious University and hearing all the experiences she had about the friendliness of the faculty and the learning experience made me attached and fond of TTUHSC.

## BECAUSE YOU GAVE...

Thank you so much for your generosity! Albertsons and Tom Thumb has been an integral part of my pharmacy journey since I began working in the pharmacy there in undergrad. With this support, I can continue to pursue my goal of helping my community by providing excellent care as a pharmacist!

## WITH YOUR SUPPORT, I CAN...

This scholarship will help me pay for the cost of tuition, books, and living expenses. Affording an apartment close to the medical district is not cheap in Dallas but this scholarship will help lighten the burden. As both my wife and I are graduate students, anything to help lessen the debt accumulated from school is invaluable.

## WHY I CHOSE TTUHSC...

I knew TTUHSC was for me when they visited my undergraduate pharmacy club for an information session and I learned that TTUHSC offers more clinical hours than almost every other school. Excellent faculty engaged in a wide variety of disciplines within pharmacy combined with access to the vast medical district in Dallas made attending TTUHSC an easy decision.
