BECAUSE YOU GAVE...

I would like to thank you for your generosity. My future goal is to improve healthcare accommodations so patients will have better healthcare experiences. In order to achieve that goal, I'm targeting to become a great pharmacist and the director of a hospital someday. With this credential, I will prove that I have the potential to lead, manage, and adjust healthcare programs to improve patients' experiences in the healthcare field.

WITH YOUR SUPPORT, I CAN...

This scholarship is extremely helpful. The scholarship allows me to study more efficiently and it also reduces the financial stress. School supplies such as textbooks, computers and electronic devices improve my learning abilities. With these improvements, I will be able to grasp the concept with limited difficulty. This scholarship will also help to reduce the overall amount of tuition and fees. With less financial stress, I will be able to make less mistakes and improve my overall performance.

WHY I CHOSE TTUHSC...

I graduated from UC Berkeley with a chemistry degree, and I am now a pharmacy student at TTUHSC. I've decided to get into the pharmacy field in order to improve patient's conditions. I chose TTUHSC because TTUHSC has one of the best clinical experience programs. The staffs have been amazing throughout the past year. The TTUHSC community is extremely close to each other and I love being in that part of the community.

With the help of this scholarship, I will be one step closer to my goal of purchasing my first car for my commute to school. It will be an amazing feeling to not have to rely on others for transportation. I'm sure these new means of transportation will improve my overall experience and performance at TTUHSC.

WHY I CHOSE TTUHSC...

I chose TTUHSC because during my interview day I could tell they truly valued and cared for all their students. There was a strong feeling of acceptance before even receiving my official letter of acceptance. BECAUSE YOU GAVE...

I thank you very much for aiding me in my endeavor here at TTUHSC. Pharmacy work and aiding the community is a passion of mine, and I know that I can better serve the community with my pharmacy degree. To that end, the scholarship funds you have provided me will help me afford making my passion a reality, as I continue my education and strive to become the best pharmacist I can be. Thank you again for your investment in me.

WITH YOUR SUPPORT, I CAN...

These scholarship funds will be put to good use in paying off part of my tuition, and will allow me to allocate some more of my own funds towards day-to-day necessities. Being a student is in no way easy, financially or otherwise. These funds will help lessen the overall stress on my student life in that I need not worry about how I am to afford all my necessities as a student.

WHY I CHOSE TTUHSC...

I began looking into a career in pharmacy in undergraduate, after deciding that I did not want to pursue a degree in medicine and yet wanting to still remain in healthcare. After spending some time as a technician, I started visiting prospective schools; my pharmacy manager at the time was an alumnus of TTUHSC, and so I made plans to visit TTUHSC as well. Out of the schools I visited, TTUHSC stood out to me with its thorough interview day, helping me have a bigger picture of what would be expected of me as a student.

I also chose TTUHSC because it is close to home, and I am able to make connections with different people in the pharmacy school without being far from home. I hope to work in a pharmacy in the area when I graduate.

BECAUSE YOU GAVE...

I am very thankful for this scholarship. My goals for this Fall 2020 semester are to learn and apply knowledge especially from my community and inpatient rotations. I want to make a positive impact in my pharmacy career by acquiring experience in these rotations to provide optimal medication regimen for my patients.

WITH YOUR SUPPORT, I CAN...

The scholarship funds helped me afford tuition and living expenses along with a car and car insurance. In my P1 and P2 years, my classmates gave me rides to school, and I am thankful for the support the community in Amarillo gave me. Now that I have my own vehicle, I visited my family in Albuquerque, New Mexico, and will make the most out of my experiential rotations in my upcoming P3 year.

WHY I CHOSE TTUHSC...

I chose TTUHSC because they provided a comprehensive education that matched my needs. I learned a lot about pharmacy from my lectures in the classroom and will continue to learn more about pharmacy outside of the classroom in my upcoming rotations. I am eager to apply knowledge that I learned in my P1 and P2 years in my P3 rotations such as hospital and community pharmacy this upcoming fall semester.

BECAUSE YOU GAVE...

I grew up with parents who both worked in academia, and have witnessed the power of scholarships my entire life. For myself and every student receiving scholarships, these funds remove an enormous burden from our families, and allow us to focus entirely on our education without work conflicts. I hope to work and raise a family in the Texas Panhandle, and want to give back to the school and community that has helped make it financially possible for me to become a pharmacist.

WITH YOUR SUPPORT, I CAN...

Receiving scholarship funding for my education at the TTUHSC Jerry H. Hodge School of Pharmacy will allow my husband and I to focus on school and work without additional financial stresses. We are recently married; this scholarship lifts a huge burden from us, and is a blessing and stress reliever in our young marriage. I am so grateful to be able to focus solely on school while he works to provide for our family, without the guilt of my school expenses! Lack of financial stress will allow me to excel academically.

WHY I CHOSE TTUHSC...

I have wanted to attend pharmacy school since I was a senior at Canyon High School in 2016. After attending TTU in Lubbock to complete my undergraduate degree, I knew I wouldn't want to attending any other institution when furthering my professional education. The Jerry H. Hodges School of Pharmacy allows me to return to the Canyon/Amarillo area where I was raised, and where my family still resides. After being away for 4 years, this is a huge relief and blessing. I am excited to attend a local institution, and can't wait to use my training to give back.

KIMBERLY ALBUS

Jerry H. Hodge School of Pharmacy

BECAUSE YOU GAVE...

Simply saying "thank you" for a scholarship seems so small. Due to the COVID-19 pandemic, my fiancé and I have had to put some life plans, dreams even, on hold due to our finances being much tighter. My education, however, was never in question due to the generosity of scholarship donors. Through the worst of times, it is people like you that allow students to continue growing so that we can have the same positive impact on our community later down the road.

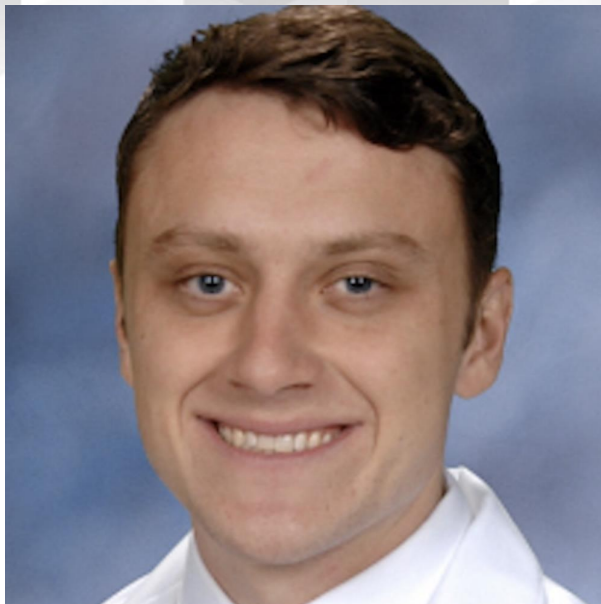

WITH YOUR SUPPORT, I CAN...

This scholarship will help me cover the cost of living and tuition. While I am currently employed as an intern for CVS, doing well in school is my top priority. The generosity of scholarship donors provides me with the freedom to work as a means of gaining experience while also dedicating the appropriate time to my studies.

WHY I CHOSE TTUHSC...

Choosing TTUHSC was an easy decision. Growing up in a small town in west Texas, the community values that run through my school were instilled in me at a young age. TTUHSC is special to me because it encourages the use of those same values when caring for patients. I also love TTUHSC because of its focus on rural healthcare. My father is a cotton farmer, so I know first hand how hard it can be to seek medical care. Being an active part of reaching the same people that raised me is so rewarding.

BECAUSE YOU GAVE...

Thank you for making these funds possible. I heavily appreciate scholarships because they help me pay tuition so I can continue to pursue my PharmD. Upon graduation, I am excited to become a practicing pharmacist in my community. These funds are very meaningful due to the fact that education in 2020 is expensive. I am glad to have received this aid.

WITH YOUR SUPPORT, I CAN...

I will use these funds on tuition to allow me to get my PharmD. I will be gracious to use these funds towards school materials as well. I will be able use less loans to achieve my education, and pursue my goals. I will work hard to have these funds renewed for my future education.

WHY I CHOSE TTUHSC...

I chose TTUHSC because I am a Red Raider since birth. I am proud to be a part of the family and am looking forward to graduating from this university. I enjoy the family aspect of TTUHSC and how we are taken care of. I am glad to be a Red Raider for life.

Thank you again for the willingness to give.

WITH YOUR SUPPORT, I CAN...

This scholarship has made studying for pharmacy more accessible and relieves the financial burden which allows me to focus more on how to better serve my community. BECAUSE YOU GAVE...

Thank you for giving me a chance by investing in my career growth. When I decided to pursue my career in pharmacy, not many people believed in me and throughout my academic career so far, this is one of the first scholarships I have ever been awarded. My goals and plans of starting and finishing pharmacy school stronger in the next four years just got better and easier. I will keep making a difference in my community by looking for and participating in endeavors that will also give others a chance. Thank you again for giving me a chance.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me pay for my student health insurance plan. I have not been able to purchase this plan due to financial constraints. I was worried I would not be able to afford it and it would have affected my academic progress one way or the other, especially my clinical rotation. Thanks to this award, I will be able to eliminate that worry and focus on my studies.

WHY I CHOSE TTUHSC...

I have this dream of becoming the best possible pharmacist. After my research on pharmacy programs, I discovered that TTUHSC would be the best school to help me achieve my main academic goal. I was especially interested in their clinical rotations and the hours of experience I will get interacting with real patients from my P1 year. It gives me confidence that I will graduate as a fully prepared and experienced pharmacist. I chose TTUHSC because experience through hands-on learning matters a lot to me and to them. I am a proud member of the "Pharmily".
