BECAUSE YOU GAVE...

I was very happy and appreciative to learn that I was selected as the recipient of the Walgreens Diversity and Inclusion scholarship. Your scholarship has lightened my financial burden which allows me to focus more on the most important aspect of my rotations as well as the Board exam and residency preparation. Your generosity has inspired me to help others and give back to the community. I would love to serve a diverse population. I also hope one day I will become a preceptor to guide and help students achieve their goals just as you have helped me.

WITH YOUR SUPPORT, I CAN...

I would like to use these scholarship funds to pay for the NAPLEX® and MPJE® exams. I will also use these funds to cover a part of the tuition, residency preparation, and professional pharmacy conferences/meetings. As a result, I will be able to practice as a clinical pharmacist upon my graduation.

WHY I CHOSE TTUHSC...

I chose school of pharmacy at TTUHSC because I believe TTUHSC has a strong curriculum which provides me a solid foundation of clinical skills and knowledge. Also, I am especially interested in variable options for the Introductory Pharmacy Practice Experiences (IPPE) and Advanced Pharmacy Practice Experiences (APPE) that TTUHSC have offered. As a result, I have had opportunities to expose myself to different settings. From these experiences, I have found out my strengths and pharmacy interests which have helped me plan the clinical practice of my future.
