

YOUR *life* • OUR PURPOSE

ALLISON LYNN

Jerry H. Hodge School of Pharmacy

BECAUSE YOU GAVE...

Your investment in my future as a pharmacist is a gift that I do not take lightly. I am wanting to further the field of pharmacy by becoming more personable and education-minded with all patients, and you are helping my dream become more of a reality. I genuinely thank you for your generosity, and I will not let you down.

WITH YOUR SUPPORT, I CAN...

This scholarship will greatly lessen the financial burden that I am experiencing currently due to my desire to pay for a large part of pharmacy school tuition by myself. My parents are a blessing and are willing to help me pay for these funds, but right now, they have 3 kids in college, so I am trying to relieve some of their financial struggle. I am so thankful to have this scholarship to pay for tuition so I can finish out my P4 year with fewer concerns.

WHY I CHOSE TTUHSC...

I actually started out at TTUHSC School of Pharmacy in Abilene, TX, and I ended up listing that location as my preference for the first 2 years because I loved how the campus made me feel "at-home". I was a little concerned about the transition to Lubbock for my last 2 years, but because of the continued kindness and flexibility of the faculty and staff, it was a smooth transition, and I have also loved every minute while attending the Lubbock campus. I am very thankful for all the knowledge and experience TTUHSC has already given me.
