

Texas Tech University Health Sciences Center  
Jerry H. Hodge School of Pharmacy

Thank you so much for your donation, as it truly does make a huge difference. I look forward to the future and cannot wait for the day when I am in a place to support students!

This scholarship will help me immensely in paying my tuition as well as in maintaining my membership in Phi Delta Chi and other organizations I am interested in.

I grew up in Lubbock and have always loved Texas Tech. My goal has always been to go into the field of health care, so TTUHSC was an obvious choice for me. I am able to be close to my friends and family while receiving an incredible education.
