BECAUSE YOU GAVE...

Thank you so much for allowing me to learn to excel in my field and become a better member of my community at the same time. Your generosity is appreciated!

WITH YOUR SUPPORT, I CAN...

This scholarship will help me tremendously. I am getting through pharmacy school using federal loans, which cover my housing, tuition, and other costs. Last year, I went on a medical mission trip to Peru to serve with health fairs, local orphanages, and other projects sponsored by the Foundation for International Medical Relief of Children. Programs and service opportunities like this help me get the most out of my time at TTUHSC, allowing me to give back to communities both locally and across the globe. It is scholarships like this one that make this possible.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the environment. I interviewed with several schools before visiting Lubbock. All schools claim to provide a family-like and close-knit support group, but it was not until I got here that I truly understood what that meant. I wanted to be at a place that was nurturing and supportive while still providing a rigorous program, and that is TTUHSC. Additionally, I was really impressed by the school's curriculum and the number of clinical experience hours offered to students.
