Jerry H. Hodge School of Pharmacy

BECAUSE YOU GAVE...

Thank you so much! I am so honored to receive this scholarship and grateful that I was selected. I can't thank you enough for believing in me and my future in pharmacy.

WITH YOUR SUPPORT, I CAN...

This scholarship will help greatly with my tuition. I will have the freedom to devote all my time and effort to my studies, which is a huge relief.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the phenomenal faculty and staff as well as the opportunities the school has to offer for me to further my career in pharmacy.

BECAUSE YOU GAVE...

Thank you so much! Because of your generosity, I can further my education at TTUHSC Jerry H. Hodge School of Pharmacy in a way that will make me a better pharmacist when I finish school. My desire to become a pharmacist started when, at 2 years old, I was diagnosed with autism. My doctor told my parents that there was a good chance that I would not be able to speak and that my intelligence would be below average. Fortunately, that was not the case. I received special schooling and progressed into a normal curriculum, where I began to perform well academically with the help of my teachers. I was determined to become a pharmacist because I wanted to provide effective care to all patients, especially those with disabilities. There are not many pharmacists in the market with special needs, and I look forward to making a positive impact on the population. Thank you for making this possible!

WITH YOUR SUPPORT, I CAN...

I will use this scholarship to help pay my pharmacy school tuition. I will also use the funds for transportation fees in Dallas on the DART rail system and the bus. All remaining funds will help me afford my housing, which is a huge help!

WHY I CHOSE TTUHSC...

I wanted to attend TTUHSC Jerry H. Hodge School of Pharmacy for various reasons, which included: the outstanding academic prowess of the university, recommendations from friends, a great interaction with a faculty member at the Health Professions Fair at the University of Texas at Austin, and the close proximity of the campus to my home in Dallas. I was most fascinated by the fact that the pharmacy program requires a significant number of clinical hours in order to graduate.

KATY JACOBS

Texas Tech University Health Sciences Center
Jerry H. Hodge School of Pharmacy

BECAUSE YOU GAVE...

I cannot thank Doyle enough for his influence on me, my family, and the profession of pharmacy. Doyle is the prime example of a life well lived: he enjoys the moments, gives generously, and lives joyfully. If all of us were just a little bit more like Doyle, the world would be a better place. I never had the opportunity to know Roberta, but between the stories I have heard and what I have read in "The Redneck and the High Maintenance Woman," I know she was a force to be reckoned with. Thank you again for the continual support and encouragement; I look forward to the day when I can return the favor.

WITH YOUR SUPPORT, I CAN...

This scholarship allows me to focus on growing my knowledge of pharmacy as well as on growing as a person. The relief that this scholarship brings in not having to worry about tuition, loans, and living expenses cannot be overstated. My hope is to one day offer the same hope and encouragement to other students.

WHY I CHOSE TTUHSC...

I chose TTUHSC because West Texas is home. This area, this community, and these people are unmatched and have formed me into who I am today. After leaving the state for my undergraduate degree, I could not wait to return to the area and become involved with the community that molded me. Additionally, TTUHSC has a reputation that is known far beyond this area for producing professionals who are exceptionally prepared to offer the best patient care.
