BECAUSE YOU GAVE...

Thank you so much. As I am in my fourth year of pharmacy school, there is a lot of stress due to clinical rotations and the pressure of deciding what I truly want to do for the rest of my career as a pharmacist. This scholarship alleviates a lot of the financial burden and allows me to put my full focus on my studies. I cannot thank you enough and express how much this scholarship helps me.

WITH YOUR SUPPORT, I CAN...

This scholarship allows me the freedom to focus on my studies. This scholarship will also give me access to greater educational opportunities. As a child of immigrant parents, we didn't grow up with a lot of money. My parents both worked two jobs to support my brother and me, and this scholarship has eased the financial burden that our family would experience as I attend pharmacy school.

WHY I CHOSE TTUHSC...

After interviewing at multiple schools, TTUHSC made me feel most at home. All of the faculty and students made me feel secure in my choice, and I wouldn't have changed a thing. TTUHSC's focus on clinical work really solidified my choice. The employees with student services in Amarillo have treated us like their own children, and they have truly made an impact in my pharmacy career. The professors are always willing to help the students succeed, and I think that's amazing.
