BECAUSE YOU GAVE...

It is no secret pursuing a graduate degree program is neither mentally nor financially easy. It is for this reason, I am incredibly grateful for this scholarship in that it will ease the burden of affording my education. Prior to receiving this scholarship, I was stressing about the fact that I am in between housing situations while I move away from the life I established during my undergraduate degree and move to the Permian Basin area to start my career.

WITH YOUR SUPPORT, I CAN...

First and foremost, thank you. It is because of generous donors like you that I am able to pursue my dreams of becoming a provider. I have never been more excited for anything in my life as much as my desire to become a PA and fill primary care gaps that exist both in West Texas and throughout the United States. I look forward to showcasing all of the reasons I was the right choice not only for the TTUHSC PA Program.

WHY I CHOSE TTUHSC...

I still remember the day of my interview, reeling over the questions the interviewers might ask as I walked nervously up toward the building and my shaky hand reached for the door handle. I opened the glass doors and as I took the first few steps in what I hoped was the right building, I looked down just in time to see the ever-so-familiar mosaic in the floor beneath my feet. I breathed a sigh of relief as the feeling of home swept over me. While the research I had done, the numerous awards and qualifications of the TTUHSC could've been enough. I'm proud to continue my education as a Red Raider.

BECAUSE YOU GAVE...

This scholarship would tremendously help alleviate some of the financial burdens that comes with being a student. This scholarship is a reminder that education and service to others are my top priorities throughout the duration of the program and beyond.

WITH YOUR SUPPORT, I CAN...

I am so appreciative of the gift you have given me to further my education. Because of donors like you and the contribution you have made, I will be able to attend PA school with fewer student loans. Thank you so much for your generosity.

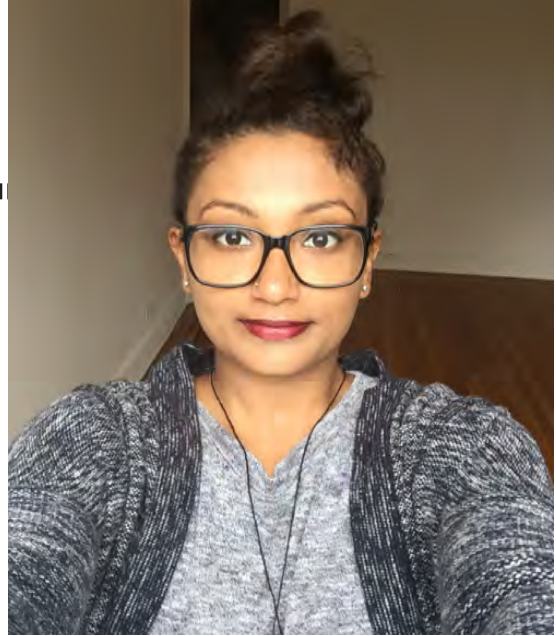

WHY I CHOSE TTUHSC...

I originally chose to apply to TTUHSC because the Physician Assistant whom I shadowed was a graduate of program and spoke highly of the education she received. During my interview, I was able to interact with both faculty and students, and got a great sense of camaraderie and was blown away by how at home I felt. I was looking for a program that would offer an excellent education, a proven track record, and a mission I was passionate about, and that is exactly what I have gotten here.

WITH YOUR SUPPORT, I CAN...

This aid will help me focus on my education. Without financial worries, I will be able to make a commitment when I graduate to serve low-income patients and communities that lack access to quality health care.

WHY I CHOSE TTUHSC...

I graduated from TTUHSC with my bachelor's degree and was aware of the high quality education I would receive from this institution. I am happy to be able to continue my education as a Red Raider.
