BECAUSE YOU GAVE...

Thank you so much for your generous contribution. I cannot express how much it means to me. This contribution helps relieve my financial stress, and I appreciate it so much.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me with tuition. Since I am graduating in August, I am currently looking for a job in the Dallas-Fort Worth metroplex. The money I am saving from tuition will be put toward gas when I travel to interviews.

WHY I CHOSE TTUHSC...

I chose TTUHSC for many reasons. When deciding on a nursing school, I admired the simulation center, environment, and the class size at TTUHSC. Ultimately, the people at the school were the reason I decided to attend. The professors care about students, invest in each student's education, and demonstrate the attributes of great nurses.

BECAUSE YOU GAVE...

I am extremely blessed to have been chosen as a recipient for this scholarship! A simple thank you cannot convey the full extent of my gratitude. Because of you, I can continue to pursue my nursing dreams!

WITH YOUR SUPPORT, I CAN...

As a single mother to a wonderful 7-year-old son, this scholarship will help me tremendously! I have been working a full-time job at a hospital as well as a part-time job at a family practice office in order to make ends meet. This award will allow me the time to more fully focus on my education and my family! I will also be able to put some of the funds toward paying off my student loans.

WHY I CHOSE TTUHSC...

After consulting with a few different RN to BSN programs, it was easy to see that TTUHSC was the best choice for me. I really felt like the education I would be receiving would better prepare me for success in my career. I plan to seek additional education through TTUHSC after completion of this program!

BECAUSE YOU GAVE...

I would like to express my utmost gratitude for this scholarship. My mother was recently diagnosed with cancer, and money is tight in my family. Because of your generosity, I will be able to pay for my education without becoming a burden on my family.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me afford my education and reach my goal of earning my BSN. My parents would love to contribute toward my schooling, but because of their current circumstances, they are unable to help out. Receiving this scholarship is a blessing for which I am very grateful.

WHY I CHOSE TTUHSC...

I completed my undergraduate degree at Texas Tech University and made wonderful memories there. As a member of the Honors College, I had dedicated intellectuals as professors, and I never questioned the quality of education I was receiving. I knew that I would have the same, if not better, experience at TTUHSC School of Nursing.
