

the **FUTURE** *of* **HEALTH**

TEXAS TECH UNIVERSITY  HEALTH SCIENCES CENTER™

CHANEL ERICSSON

School of Medicine

BECAUSE YOU *gave...*

My decision to attend TTUHSC is in large part due to the FMAT program! My current degree path is to complete a residency in Family Medicine, followed by a fellowship in Sports Medicine. As a former athlete myself, I would love the opportunity to provide the medical support necessary for athletes to stay involved in the sports that they love! The FMAT program here allows me the opportunity to impact this community even sooner, as well as gain additional experience in working with underserved populations!

WITH **YOUR SUPPORT, I CAN...**

This scholarship has allowed me the opportunity to pursue the medical career that I have always dreamed about! Coming from a low-income immigrant family, the cost of higher education was always a major concern growing up. However, thanks to this scholarship, I am now able to fully focus on my education pursuits without worrying about a financial burden! I am so grateful to be a student here at TTUHSC!

WHY I CHOSE *ttuhsc...*

Being here at TTUHSC has been such an enriching experience in my journey of becoming a medical doctor! I have been awarded with so many opportunities to be involved in our local community, especially through mentorship and educating local youth! In addition, being able to collaborate with other health professionals and work with underserved populations is a unique experience that will help me to become a better physician in the future!
