School of Nursing

BECAUSE YOU *gave...*

In my first year of high school, I underwent a spinal fusion surgery that changed my life forever. During my stay at the hospital, I was accompanied by the most compassionate nurse that I had ever met in my entire life. After that experience, I knew I wanted to impact and help others the way that nurse cared for me almost five years ago. It is a gift and blessing to be able to care for others as a registered nurse does, and I intend to do just that.

WITH **YOUR SUPPORT, I CAN...**

This scholarship is an absolute blessing and more. With this scholarship, I am one step closer to my dream of becoming a first-generation graduate as well as a registered nurse. I am overwhelmed with gratitude as this scholarship will support me financially throughout the upcoming levels. This scholarship has tremendously impacted my academic experience by providing me with endless opportunities and financial support.

WHY I CHOSE *ttuhsc...*

While deciding where I wanted to continue my academic journey after high school, I chose TTUHSC because I knew it would challenge me. It challenged me to do the best of my abilities during prerequisites to get into this prestigious program. Now, being in a TTUHSC program, I am forever thankful to be in a program that challenges me daily and has faculty that push me to the best of my ability. I have learned in and out of the classroom that being challenged creates greatness.
