## **BECAUSE YOU** *gave...*

Your generosity means the world to me. After receiving my first degree in Public Relations, I felt a calling to dive into a deeper level of communication. I have always had a passion for helping others and personally understand the impact that speech therapists have on individuals. I am extremely passionate about this line of work and am growing in knowledge and experience every day.

## *WITH* **YOUR SUPPORT, I CAN...**

I am highly grateful for this scholarship and its positive impact on my life. The funds for the scholarship allow me, an older student returning to school, to focus on my academics without too much financial burden. Education is extremely important to me, and I plan to do everything I can to be successful in this program. I can put all of my time and energy towards becoming the best Speech-Language Pathologist I can be.

## **WHY I CHOSE** *ttuhsc...*

Growing up in Lubbock and being a third-generation Red Raider, I knew that Texas Tech would be a place to call home forever. Following in my parent's footsteps, I am happy to be a part of the TTUHSC family. The amazing faculty and staff at TTUHSC have taken me under their wing as they truly care about every student. I am grateful to be a part of wonderful organizations and programs within the TTUHSC serving and helping the community.
