BECAUSE YOU GAVE...

I chose my career path due to my grandparents and their impact on me. My grandparents both had health problems which required a lot of help while recovering. Witnessing the amount of help and improvement they had pushed me to help others and make positive impacts with my profession and future career.

WITH YOUR SUPPORT, I CAN...

This scholarship allows me to pay for schooling on my own and lets me purchase my textbooks that are needed for this semester! I would not have been able to afford my textbooks without this money or other opportunities. Thank you for this scholarship and providing me an opportunity to further my education.

WHY I CHOSE TTUHSC...

When applying to different programs, TTUHSC stood out to me due to their outreach programs and their supportiveness. When I met some of the faculty and current students, I could tell how genuine and supportive they were and that was when I knew TTUHSC was my school. I am so excited to begin my academic career and continue growing with the help of TTUHSC.
