E.P.I.C. is an interprofessional teamwork and communication event that fosters skills within a public health emergency framework. The theme of this year's event is **Healthcare in the Eye of the Tornado** and will feature public health outcomes and interprofessional planning associated with community resources, policy, action planning, and population health.

Faculty interested in facilitating a small interprofessional team should contact the Office of Interprofessional Education at ipe@ttuhsc.edu. Approximately 50 faculty are needed across disciplines for the event.

For more information, contact the Office of Interprofessional Education at ipe@ttuhsc.edu or give us a call at (806) 743-2028.

Registration Deadline: February 19, 2021

TTUHSC DISASTER DAY: AN INTERPROFESSIONAL MASS DISASTER SIMULATION

TTUHSC DISASTER DAY

An Interprofessional Mass Disaster Simulation

March 26, 2021 | 8:30am - 1:00pm

*Learning Objectives*

- Practice basics of mass casualty triage.
- Apply assessment, reasoning, and decision-making skills during an emergency.
- Facilitate and optimize collaboration through teamwork, communication, values/ethics, and understanding of roles/responsibilities.

Register Today!<https://ttuhsc-ipe-disasterday.eventbrite.com>

Registration Deadline: March 19, 2021

Live Simulation will be held at:
American Windmill Museum - Commons Patio
 1701 Canyon Lake Drive, Lubbock, Texas
Lunch Provided

Questions? Contact (806) 743-2028 or ipe@ttuhsc.edu

The Office of Interprofessional Education is excited to announce TTUHSC's first **Disaster Day** student-led interprofessional emergency response simulation.

Disaster Day will be piloted on the Lubbock campus for 2021 to expand to all campuses in 2022.

During the event, interprofessional student teams will come together to diagnose, treat, and care for volunteer patients and populations affected by a natural disaster, proving a hands-on application in emergency responsiveness.

Disaster Day will be held on Friday, March 26, 2021, at the American Windmill Museum as a live, in-person event. Stringent safety protocols will be in place to protect the safety and well-being of all participants.

Faculty interested in facilitating a disaster station are invited to contact the Office of Education to sign up. Disaster Day will be run in two shifts during the event.

For more information, please contact the Office of Interprofessional Education at ipe@ttuhsc.edu or call us at (806) 743-2028.

TEAMSTEPs®

Virtual Master Training Course

April 23, 2021

8:30 AM - 12:15 PM & 1:15-4:30 PM CST

Virtual Training Course via Zoom

The TeamSTEPs® (Team Strategies and Tools to Enhance Performance and Patient Safety) Master Training Course is an interactive train-the-trainer course that prepares participants to plan, teach, implement, and sustain TeamSTEPs® fundamentals. This course produces Master Trainers, who will be trained to go back to their respective institutions and offer TeamSTEPs® training and certification. Approximately 6 hrs of online pre-work must be completed at least 10 days prior to the virtual training.

REGISTRATION

Cost: \$75 members | \$150 non-members

TeamSTEPs Master Training, April 23, 2021

TeamSTEPs Master Training Course is an interactive train-the-trainer course that prepares participants to plan, teach, implement, and sustain TeamSTEPs fundamentals. Developed by the Agency for Healthcare Research and Quality and the Department of Defense Patient Safety Program, TeamSTEPs has rapidly become a virtual industry standard for teamwork. This course produces Master Trainers, who will be trained to go back to their respective institutions and offer TeamSTEPs training and certification. Approximately 6 hours of online pre-work must be completed at least 10 days prior to the virtual training.

The TeamSTEPs Master Training Course is a highly-interactive course and the content is based on a framework of four teachable-learnable core teamwork skills: Communication, Leadership, Situation Monitoring, and Mutual Support.

Learn more at: www.ttuhs.edu/interprofessional-education

TeamSTEPs (Team Strategies and Tools to Enhance Performance and Patient Safety) provides healthcare professionals with a framework for teaching teamwork and communication skills that lead to improved patient safety and quality of care.

Demo Days uses learned TeamSTEPs skills and strategies, breaking them down into team building activities that enhance learning and application of key concepts. Team building activities focus on team structure, communication, leadership, situation monitoring, and mutual support. A toolkit of experiential learning activities is available to participating faculty and staff.

Demo Days is held two times each fall and spring semester. To register to attend, (teams welcome), please email the Office of Interprofessional Education at ipe@ttuhsc.edu.
