

INTERPROFESSIONAL TOY FAIR & EXPO

Hosted by TTUHSC Office of Interprofessional Education
& Lubbock Early Childhood Intervention (ECI)

The ***Interprofessional Toy Fair and Expo*** introduces therapeutic use of toys to children 0-3 with a developmental delay or disability and their parents. At this event, each child will be given one therapeutic toy and a student-produced book to guide developmental use of play.

This event is made possible by donors like you!

GIVING IS EASY!

Your tax deductible donation will greatly benefit children with developmental delays or disabilities.

Give online:
