Additional Information

Q. How do I create a library account?

Answered By: Paul Landers

Mar 27, 2018 3447

Your eRaider account is sufficient to access online library resources. However, to checkout books, or to use any **non-free** library services such as ILL (interlibrary loan), [Document Delivery](#) and 3D printing, you also need an additional **library account**.

NOTE - because the majority of TTUHSC faculty, staff and students will never need a library account, they are **not** automatically created upon enrollment or employment. They are self-service created on an as-needed basis.

Use your eRaider (**not** your R number) to create a library account:

- Patrons with a TTUHSC (**not** TTU) eRaider - Login to the [library catalog](#) and click **Your Personal Details**
- Patrons with a TTU (**not** TTUHSC) eRaider - use the [TTU online library account application](#)
- Patrons with no eRaider - use the [Unaffiliated online library account application](#)
