Enter heart disease

The screenshot shows the EBSCOhost search interface. At the top, there is a navigation bar with links for 'New Search', 'Public', 'CINAHL Headings', 'Evidence-Based Care Sheets', and 'More'. The main search area includes the EBSCOhost logo, a search input field containing 'heart disease', and a dropdown menu for 'Suggest Subject Terms' which is open, showing a list of related terms. To the right of the search field are 'Search' and 'Clear' buttons. Below the search field, there are sections for 'Search modes and Expanders' and 'Apply related words'. The 'Search modes' section has radio buttons for 'Boolean/Phrase', 'Find all my search terms', 'Find any of my search terms', and 'SmartText Searching'. The 'Apply related words' section has checkboxes for 'Apply related words', 'Also search within the full text of the articles', and 'Apply equivalent subjects'. A yellow arrow points from the 'Search' button to the 'Suggest Subject Terms' dropdown menu.
