SHM and Epocrates have teamed up to create, Hospitalist Connection, the first HM resource center for Palm®, Windows Mobile®, and iPhone® platforms. The new mobile platform will deliver exclusive commentary on the latest news and research in HM and hospitalist practice management.

If you are already an Epocrates user, you can install the Hospitalist Connection Mobile Resource Center on your iPhone/iPod Touch, Palm or Windows Mobile Device:

- iPhone/iPod Touch users: You will automatically see the Hospitalist Connection MRC after updating Epocrates on your device.
- Palm or Windows Mobile users: You will need to log in to your Epocrates account and opt-in to the Hospitalist Connection MRC. You will then need to sync your device to access the resource center.
