New Business:

Dr. Richard Nollan has accepted the offer to be Executive Director of the libraries. Richard will start no later than January 1, 2017.

Ted Reid mentioned no letter was sent to TTUHSC IT department. The website was already in the works. The committee has decided to leave the website as it is for now.

Paul Landers re-designed the library's website. All the tabs have been moved from the right to the left and icons have been added. Some students are icon oriented and some students prefer text "tabs" to the left. They are both now available for everyone.

Peggy Edwards has offered to do an orientation on entire database and library's website to anyone that is interested.
