Meeting was called to order by Ali Roghani at 3:00 PM. There was no quorum.

### **Old Business:**

Richard explained that the Development office was in the exploratory process of generating more interest in the library endowments program.

Richard also said Communication is working on a soon-to-be released article about the Rare Books room which should generate public interest in the Library.

### **Discussions:**

Discussions made of pros and cons of the possibility of the El Paso library breaking from us and becoming independent.

Richard introduced Mr. Andrew Escude, our new Senior Director of Technical Services.

Stephanie announced the addition of the Library's new study rooms and scanners. She also demonstrated the new database services of Reaxys and PEPID.

### **New Business:**

All new business tabled until next month at which time a quorum will hopefully be achieved.

The meeting adjourned at 4:00 PM.
