AGENDA

- I. Introduction and Welcome (Andrew)
- II. Approval of minutes (Andrew) - Approve the minutes. Post as written.
- III. Director (Andrew)
- IV. New Items
 - A. **TTUHSC'S Institutional Master Plan & Libraries' Possible Role** (Erik)- Following up from the email the Provost sent out. They are doing something over the next 14th months regarding the Master Plan. Does anyone know anything about the Libraries' role in that? We wanted to make sure that Dr. Kruse knows that the Library in Odessa can provide space for meetings, etc. when the group goes to Odessa. Andrew says it will take ~14 months just to develop the master plan (15-20 year plan). There will be town halls and online surveys down the road.
 - B. **Search Committee for Executive Director**- No update. Priorities have shifted a bit, especially with resignation of Sharon Decker from the SIM Center.
 - C. **Update on Papercut** (Paul)- Richard Wood had implemented PaperCut 10 years ago. Our initial purchase was for 1000 seats. Usage expanded when we added the ability for students to print from personal devices. A couple years ago, the School of Pharmacy was using a competitive product, so PaperCut

was rolled out institution-wide. We're now managing a couple dozen computers on 5 campuses. What was initially a library product has become an institutional product. A couple of weeks ago, we purchased our latest upgrade and are now at 8000 seats. Students are pretty happy with it.

D. Department of InterProfessional Education- They need some volunteers to act as facilitators for their fall symposium on November 4th. Andrew will forward the email.

V. Committees

- a. **Trends** (Daniel)- No report.
- b. **Scholarly Communications** (Burnett) - No report.
- c. **Systematic Review Committee** (Peggy)- See attachment.
- d. **Outreach Committee** (Barbara)- Nothing to report.

VI. **El Paso** (Lisa) - Wrapping up the fiscal year. Looking for the number of ejournals we subscribe to.

VII. Discussion

- a. Sandy's last faculty meeting- she wishes everyone well! Hopefully someone will be selected before she leaves, but it should be a pretty seamless transition.

VIII. Questions/Closure

Library Faculty Meeting 09-08-2022 - SRMA Committee Report
