

Netter Presenter *Get Started Guide*

Welcome to **Netter Presenter**—your site for viewing and downloading the full set of images from the *Netter Atlas of Human Anatomy, 5th Edition*. Plus, you'll access over 200 additional clinically-focused illustrations and radiologic images, as well as videos created from the new Netter's 3D Interactive Anatomy and selected videos from Netter's Online Dissection Modules.

View and download images...

- Click on the "Section" titles under the Table of Contents tab to view the available images and videos for each
- Three versions of each image are available to view or download:
 1. With labels and leader lines
 2. With leader lines only
 3. Completely unlabelled
- Click the "Download Image" link on any image to download jpgs of all three versions of the image to a zip file

[Click here](#) to view a brief video overview

Create online presentations...

- Create custom lightboxes by first logging in with a personal or sub-account and password
- Add individual images to a "lightbox"
- Then go to the "My Folder" tab to manage these lightboxes and view them as Slide Shows

[Click here](#) to view a short video demonstration

Note: Slide Shows are NOT downloadable

Create a sub-account...

- Within your Institutional account, click the "My Folder" tab next to the Table of Contents and follow the prompts
