

Mandatory Sessions and Activities for General Principles of Infection (GPI) 2019

Subject to Change

Note:

Unit evaluations (must complete **2** out of the **4** unit evals)

Faculty evaluations (must complete at least **2** faculty evaluations per unit)

All **5** unit quizzes are required.

There are a total of 14 small group sessions (dry labs, clinical correlations, SimLife Center activities, etc). ALL ARE MANDATORY, **but**, you only have to attend **7 out of the 14** AND take the individual in-class quiz and/or complete group in class or out of class assignments to receive full credit for the activities.

* The session on Monday, April 01 is required for everyone AND will count as 1 of the required 7 sessions.

Material presented in TBL, SGCCD and Dry Lab sessions are testable.

The ISS SOAP note assignment is 2% of your final grade. (Directions, case topics, and an example assignment will be posted on Sakai)
