**Mandatory Sessions and Activities for General Principles of Infection (GPI) 2020-21**

*Subject to Change*

**Note:**
- Unit evaluations (must complete 2 out of the 4 unit evals)
- Faculty evaluations (must complete at least 2 faculty evaluations per unit)
- End of Block evaluation is required

All 4 unit exams and the final exam are required.

**Session One (Block Intro and Dr. Williams Lecture)** is required for all students. **Session 21, Dry Lab 1 on April 5th** is an IPECPLA and is required for all students. It will count as one of your 10 required small group activities.

There are a total of 14 small group sessions (dry labs, TBLs, Review sessions etc). **ALL ARE MANDATORY, but, you only have to complete the online assignments for 10 out of the 14.** To receive full credit for the activities you must attend and participate in the real time Zoom small group sessions with facilitators. This requires completing the Sakai sign-up for each session you would like to attend. Failure to attend your session after signing up will be treated as a professional infraction.

**Material presented in all ISS, mandatory small group sessions and CICR sessions are testable.**

**The Independent Study Development of Clinical Skills (ISDLA) assignment (Recorded case presentation) is 2% of your final grade.** (Directions, case topics, and an example assignment will be posted on Sakai)

**Completion of on-line Evaluations in MedHub for Unit Four**

See Sakai Calendar for further details

**Completion of on-line Evaluation in MedHub for End of Block**

See Sakai Calendar for further details

---

**First Day of Block**
- TBL Sessions
- Quizzes
- Dry Lab Sessions
- Unit Exams
- Evaluations

**Combined Activity P3/Docs**
- ISS Assignment
- Final Exam
- SCGGD
- GPI Review Sessions
- SimLife Center Activity

---

**Here is the specific list of Mandatory Sessions – you must partake in 10 of the 14:**

April 5  Dry Lab
April 07 Dry Lab
April 13 Dry Lab
April 20 Dry Lab
April 21 Review session
April 28 Dry Lab
May 03 Dry Lab
May 04 Dry Lab
May 05 Review session
May 18 Case Review
May 19 TBL
May 20 Case Study
May 21 Review session
May 26 Review session

**NOTE:** Please refer to Sakai for exact times and structure of each session. Some may be changed due to faculty, and/or equipment availability due to the restructuring of the block for the on-line curriculum.
