

TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER™

School of Medicine
Department of Internal Medicine

Thank you for your interest in our Internal Medicine Residency Program. We are a university-affiliated community-based program that is fully accredited by the Accreditation Council for Graduate Medical Education (ACGME). Our campus also has accredited residencies in Family Medicine, Obstetrics/Gynecology, Surgery, and Pediatrics. We have third and fourth year medical students as well as students in Pharmacy, Allied Health, and Nursing. We are most interested in residency candidates who have strong academic credentials and who have an interest in clinical medicine and teaching.

American Medical School Graduates:

We participate exclusively in the National Resident Match Program (NRMP) for all U.S. medical school graduates. This includes the couples match.

- In general we interview candidates who have United States Medical Licensing Examination (USMLE) Step I scores of 230 and above, Step II CK scores of 235 and above, and Step II CS-Pass, all on the first attempt.

International Medical Graduates (IMG's):

- We participate in the NRMP for IMG's and only accept applications through the Electronic Residency Application Service (ERAS).
- We sponsor a limited number of J1-visa's. We do not sponsor H1 visa.
- While a recent medical school graduation date is not imperative, recent clinical experience is.
- U.S. clinical experience is preferred.
- We do not offer externships or observerships.
- In general we interview candidates who have United States Medical Licensing Examination (USMLE) Step I scores of 230 and above, Step II CK scores of 235 and above, and Step II CS-Pass, all on the first attempt.
- Educational Commission for Foreign Medical Graduates (ECFMG) certification is required before the applicant file is considered complete and able to be ranked for match.

Applications are only accepted through ERAS. The deadline to apply to ERAS is December 1st. Once we receive your application, it will be reviewed and you will receive an e-mail on the status of your application. If selected, you will be invited for an interview. Limited interview dates are available. We generally interview in October, November, December, and January. For more information about our program, please visit our website at www.ttuhsc.edu/amarillo/som/im/residency, or you may contact us at Residency.AmarilloIM@ttuhsc.edu.
