

TEXAS TECH UNIVERSITY  
HEALTH SCIENCES CENTER  
Office of Continuing Medical Education

# 5th Annual Update in Heart Failure Management

## A Multidisciplinary Approach

October 15, 2022

### CONTINUING EDUCATION CREDIT

#### Accreditation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Texas Tech University Health Sciences Center, UMC Health System, and Amarillo College Center for Continuing Healthcare Education. The Texas Tech University Health Sciences Center is accredited by the ACCME to provide continuing medical education for physicians.

#### Credit Designation:

##### Physician

Texas Tech University Health Sciences Center designates this live activity for a maximum of **7.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### ABIM MOC RECOGNITION:

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7.0 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

##### Nurses

Amarillo College Center for Continuing Healthcare Education is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

### DISCLOSURE & MITIGATION OF RELEVANT FINANCIAL RELATIONSHIPS

It is the policy of Texas Tech University Health Sciences Center Office of Continuing Medical Education to abide by the ACCME Standards for Integrity and Independence in Accredited Continuing Education. It is the policy of TTUHSC to collect information from all planners, faculty, and others in control of educational content about all their financial relationships with ineligible companies within the past 24 months and mitigate relationships prior to the individuals assuming their roles.

Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Governmental agencies and providers of direct patient care services are not considered to be ineligible companies.

Disclosure of a relationship is not intended to suggest or condone bias in any presentation, but is made to provide participants with information that might be of potential importance to their evaluation of a presentation. TTUHSC expects that the content or format of an accredited continuing education and related materials will promote improvements in quality of healthcare and not the specific proprietary business interest of an ineligible company. We employ several strategies to ensure the absence of commercial bias and mitigate relevant financial relationships.

None of the planners and faculty for this educational activity have relevant financial relationships to disclose with ineligible companies except for the following individual:

1. Rajesh Nambiar, MD, faculty for this educational event, is a Speaker for Janssen and Abbott Pharmaceuticals; .
2. Mohammad (Mac) Ansari, MD, planner and faculty for this educational event, has disclosed these financial relationships; Research for Abbott, Boston Scientific, Torus, RA Medical and Cardis; Advisory Board for Boston Scientific and Medtronic; Education for Boston Scientific, Gore, Torus, Edwards, RA Medical, Philips, Delinze and Cardis

All of the relevant financial relationships listed for this individual have been mitigated.
