This is a sample of the screen you will see after completing the evaluation. Please check the box beside the name of the session that you attended. Indicate the amount of credit you are claiming for that session (.25, .50, .75 or 1.0). If you attended the session that has “Ethics” credit, be sure to check that box to receive the ethics credit. At the bottom of that screen you will find that total amount of credit you are claiming for the conference.

Please note: **Speakers** may only claim credit for session that they attended, **not** the one that they presented.
