Year 1 Fellow

5 months Consult
 4 months Transplant
 2 months Dialysis
 1 month Research

Year 2 Fellow

1 month Consult
 2 months Transplant
 4 months Dialysis
 3 months Research
 1 month Elective
 1 month Houston

***This is an example only.**

No vacations during consults and ESRD rotations and maximum of 2 weeks vacation at a time.

** If vacation in consult and ESRD rotation is necessary it is imperative that you notify Dr. Phisitkul in advance.

Fellows rotating on out-patient dialysis month provides coverage if fellow on in-patient month is absent or sick.

PGY-5 will manage call schedule. Dr. Aly 3 months and Dr. Parekh 3 months alternate. Send to Dr. Phisitkul for approval.
