

UMC/TTUHSC ONCOLOGY SUBSPECIALTY CLINIC SERVICE

Person responsible: Assigned Oncology/Hematology Attending

Sub-specialty Clinic Service

REQUIRED/ELECTIVE rotation

Goals: To follow a sub-specialist for one month, completely shadowing him/her in his/her practice.

Objectives: Fellows learn to establish a diagnosis and initiate a treatment plan. They will follow the sub-specialist in clinics, conferences and tumor boards. They will be required to evaluate and manage 30% or more of the sub-specialist's patient load, either directly or indirectly.
