Assignments & Due Dates

All materials for P3-1C week are available on Sakai: [https://elearn.ttuhsc.edu/](https://elearn.ttuhsc.edu/P3-1 or 2024-SP-MSCI5120-001)

MS1 Honors Project Omnibus Survey

~~Due: Wednesday March 13~~ Data have been downloaded and shared with groups

<https://tinyurl.com/P3Omnibus2024>

We should have 100% participation from the MS1 class on this.

P3-1 Week Limited Session & Early Sign-Ups

Open: Tuesday, March 12 9:00

- Please note that some **clinical workshop sessions** require early sign-ups. Those will open on Sakai at 9:00 AM on Tuesday, March 12. Because these are limited, please sign up for only 1 Workshop session. You may add yourself to any additional workshops that are still available beginning Monday, March 18.
- Other CME and Symposia sessions require early sign-ups. These include the Wednesday Anthony Chang Keynote (sign up by March 14), the Friday Disaster Day simulation (sign up by March 11) and the Friday/Saturday West Texas Health Disparities Conference (**sign up by March 17**).

P3-1 March Small Group

Due: Wednesday, March 20, 1:30

Session Prep:

Read the materials in the Student Packet on Sakai (Lessons>P3> P3 Small Groups> March 20) and come prepared for class discussion. (Available by Friday, March 13). There will be some pre-session activities for you to do online and bring to small group-- **Experiment with using some form of artificial intelligence and bring the results with you to the small group session on March 20.**

Honors Project Expo

Due: Friday, March 22, 8:45

Session Prep:

Plan to attend the Honors Project expo on Friday, March 22 in 2D101 using the monitors at each table. Templates for the posters are available on Sakai in the Honors Project folder. Groups are not required to submit a poster draft, but you can if you want feedback ahead of time; use the Poster draft assignment on Sakai by Tuesday, March 19. Final posters are due on Friday, March 22 (Sakai Assignments Tab). The poster session on Friday morning is a required activity for everyone participating in an Honors Project this year.

2nd Annual West Texas Health Disparities Research Symposium (WTHDRS)

Please note the following guidelines for using the WTHDRS events as part of your selective options for P3-1C week:

- You may receive P3 week credit for up to 3 of your 6 Selective options for the week. The sessions available for P3 credit are listed on page 5 of the schedule.
- You may use Dr. Dickey’s Keynote session on Friday for either a Keynote or a Selective credit. If you use it for Keynote credit, then you can count up to 3 others as Selective credit.
- If you are presenting a poster on Saturday afternoon—or if you are one of the authors of a poster but not doing the presentation—you may count that as one of your Selective credit options, and count the session as one of the 3 WTHDRS selective options *if you also register for and attend the conference. If your presentation is based on a P3 Honors Project, your poster will need to be sent to Educational Media Services by noon on Thursday, March 21. See Sakai for more information.*
- All students who use WTHDRS events for P3 credit are required to

register for the conference (if they have not already done so) at the link below **by midnight on Sunday, March 17**. Please use the following SOM discount code, which will prevent your having to pay a conference registration: **P3students** (case-sensitive):

<https://cmetracker.net/TTUHSC/Publisher?page=pubOpen#/EventID/37936/>

- Please note that if your registration is being covered by the SOM, you will be expected to attend as many of the conference sessions as possible.
- There will be a QR code available at the WTHDRS event to track P3 attendance. Please log in prior to each session that you wish to count for P3 credit.
