Crisis Resource Sheet

In the event that you are experiencing a crisis and are having thoughts about hurting yourself or other, please know that there are many resources available in Lubbock.

Before a crisis occurs

Discuss with your therapist and/or psychiatrist his or her guidelines for crisis calls. Ask if there are any “after hour” call opportunities and if so, what guidelines/limitations he or she had. The Covenant Chemical Dependency Intensive Outpatient Clinic’s business hours are Monday - Thursday 10:00 am to 5:00 pm.
