Help Sheet for New Student Required Safety Trainings

- Access the TTUHSC Student Portal via webraider.ttuhsc.edu

- Sign into the Student Portal using your eRaider login name and password

- Required institutional safety training modules for new students will be found under the Training Resources column along the right hand side of the page
    - New student required safety training modules can also be directly accessed via this link: https://app4.ttuhsc.edu/acme/roles/

- Due date to complete all required institutional safety training modules for incoming SOM students is **Monday, July 21st**

- Incoming students are assigned 14 different safety trainings by TTUHSC
    - Per TTUHSC Safety Service time to complete all required modules may be up to 4 hours total –> PLAN ACCORDINGLY
        - All modules do not need to be completed at one time

    - Completion of required safety training modules will be audited following MS 1 orientation
        - After completing required safety trainings **must SEND A COPY of completion certificates to Jennifer Acevedo** (jennifer.acevedo@ttuhsc.edu) –> failure to do this step will lead to redoing this work to provide documentation of completion
