EndNote allows you to create libraries, organize references in your preferred format, insert references into Word documents while you write, create bibliographies, and share with collaborators. For more information, email Barbara Ballew barbara.ballew@ttuhsc.edu.

If you are not able to attend the live events, Zoom recordings and tutorials are available on HSC Library’s website: Workshop LibGuide at https://ttuhsc.libguides.com/EndNoteWorkshops2020

Barbara Ballew is a liaison to the School of Nursing and provides consultations to nursing faculty. For assistance using library resources and databases to search for peer-reviewed literature for evidence-based practice, please keep her in mind.
