

Grant Writing Workshop Conference – Session 1 (April 23rd)

The School of Nursing Research group, along with The Dissertation Coach, hosted Session 1 of the Grant Writing Workshop Conference on April 23, 2019. Drs. Robles and Sikes, with The Dissertation Coach, presented valuable knowledge on how to begin searching for grants and key points to consider when applying for grants. The objective of this session was to gain an overview of the grant proposal process and discuss the key components of a grant proposal. We look forward to learning more in future sessions. Session 2 will be by Zoom, on May 14, 2019.

Rowena A. Robles, PhD

Michael Sikes, PhD
