Dear Mrs. Leach:

My name is _____ and I am a 2009 recipient of the Rubye A Leach Nursing Scholarship. I am honored to receive this scholarship in your name and am grateful for the opportunity this has provided to me.

Since finishing my bachelor's degree in nursing, I have know that eventually I would like to obtain my master's degree and I am excited to now be enrolled in the MSN-Acute care Nurse Practitioner program. After completing my first semester, I know that this program will help me become a better nurse at an advanced practice level. One of my nursing goals is to make healthcare more accessible for persons of all income levels, and practicing at an advanced level will help me accomplish this.

Without a doubt, this scholarship will play a key role in achieving my education dreams. Because of your generosity, the financial burden placed on my to pursue my education while working full time will be reduced. That means I can better balance my time between my duties at work and my studies.

Thank you for your support and your investment in the TTUHSC School of Nursing and the futures of students like me.

Sincerely,
