

TEXAS TECH UNIVERSITY
HEALTH SCIENCES CENTER.

School of Nursing

To: Reserve Commanding Officer

From: _____
VBSN Student (printed name and rank)

I am applying for admission to the Texas Tech University Health Sciences Center (TTUHSC) Veteran to BSN (VBSN) Program which will allow me to complete all degree requirements to earn a Bachelor of Science in Nursing in a continuous 12-month period. The awarding of a BSN will allow me to take the NCLEX-RN licensing exam to become a RN. The VBSN Program admits only one time/year; beginning with the spring term in January and ending at completion of the fall term in December. It is desirable to complete the Reserve’s annual two-weeks training either prior to or after VBSN Program completion. The Reserve’s weekend trainings can be completed during the school year. It is the VBSN student’s responsibility to meet all VBSN course requirements, complete clinical hours, and the required Reserve training hours.

I acknowledge receipt of the above information:
