TTUHSC Leadership Development Program

2024 EMERGING LEADERS

Program Overview: This 6-session program is designed to provide a functional knowledge of effective leadership skills to TTUHSC team members with less than three years of supervisory experience.

Program Structure: Cohort-based / 1 hr. eLearning and 3 hr. live sessions via Zoom
There will be a limit of 20 team members per cohort.

Registration: Applications will be accepted in November (Jan-June cohort) and May (July-Dec cohort) of each calendar year. More information on the registration process can be found on the [Office of People and Values](#) website.

Program Fee: \$100

This fee covers the cost of assessments, supplies and other costs related to running the program. Instructions for payment will be sent upon acceptance into the program.

Emerging Leaders Course Descriptions

1. Six Dimensions of Effective Leadership – This session will focus on what you can do, personally and specifically, to be more effective at leading your team and helping your organization succeed.
2. Emotional Intelligence – This session is designed to lay the foundation for developing emotional intelligence in order to manage stress, collaborate with others, and successfully manage your team.
3. Working Genius – This session lays the groundwork for discovering the talents you already possess to help increase work satisfaction, raise your level of effectiveness, and grow as a leader.
4. Communication – This session identifies the four social styles to help you gain a better understanding of how to communicate and lead your team from a versatile perspective.
5. Problem Solving / Resolving Conflict – This session will concentrate on the core essentials of problem solving and resolving conflict by using actionable methods to get the best results from your team.
6. Coaching / Rewards and Recognition – This final session provides the skills needed for you to empower and motivate your team through coaching and through rewards and recognition.
