

Welcome Class of 2026!

If you have questions about registration or see an error on your schedule, please contact the SOP Registration Team at

SOPRegistration@ttuhsc.edu.

- Lisa Bentley Amarillo
- Josh Burrull Dallas
- Allison Rogers Abilene

## Fall 2022 Registration

- Registration has been done for you!
- You have been registered in 7 courses and 2 labs; a total of 20 hours.
- Like undergrad, each course has a course number and a section number.
- Course numbers are the same for all campuses; section numbers vary by campus. They identify the campus you will be on for your courses. They need to match the campus to which you have been assigned.
- We need your help to make sure you are in the correct courses and sections.

## P1 Fall Schedule

		P1 Fall	Semester 2022		
me	Monday	Tuesday	Wednesday	Thursday	Friday

- Refer to the P1 Fall Semester 2022 Class Schedule (previous slide) to see what your week looks like
- Identify the courses you should take as P1 students. Refer to the Enrollment Sheet for your campus you received with this email. (example on next slide)
- You should have 7 courses plus 2 labs for a total of 9 courses and 20 credit hours when your registration is complete.
- You should know your campus designation. You should be in all courses using the same campus site of Abilene, Amarillo, or Dallas.

## **Enrollment Sheet**

The following courses are required of all P1's. Please make sure you are enrolled in each of the courses and one lab for PHAR 1430 and PHAR 1432.

Course		Section		Course Name	This is an		
		Phar 1011	021		<u>Pre Intro</u> IPPI	example! Use	
		Phar 1220	021		Foundations of Pharmacy Practice	the enrollment	
		Phar 1250	021		Clinical Correlations I	sheet for your	
		Phar 1430  Phar 1430  Or	021	521	Bio Foundations 1 Lecture <b>and</b> one lab	campus from the email to check	
		☐ Phar 1430		523		your registration.	
		Phar 1432 Phar 1432	021	521	Immunology/Clinical Immunizations Lecture <b>and</b> one lab:		
		Phar 1440	021		Molecular Foundations		
		Phar 1460	021		Science and Calculations		

20 Credit Hours total

## Registration continued...

- It is highly recommended that you go to the Student Profile in the Registration section of the WebRaider Portal on the TTUHSC MyTech tab.
- You may be asked to select the term of Fall 2022 Pharmacy to view your schedule.
- Check your to be sure all of your courses are on the schedule with same Campus site.
- Use the Fall 2022 Class Schedule or Enrollment Sheet to match against your registration to be sure you are registered for all required courses.

- Errors in registration include:
  - Registering in the wrong section. You don't want to drive between Amarillo, Abilene, or Dallas on a daily basis. ☺
  - Wrong course
  - Enrolled in a lecture and not the lab (or a lab without the lecture)
  - Enrolled in two labs that are on the same day and time.

- Check list:
  - Compare your Student Profile Registration Schedule with the Enrollment Sheet for accuracy.
  - Make sure all of your classes are on the same campus.

- Billing due dates for Fall 2022 are on the following site:
  - https://www.fiscal.ttuhsc.edu/studentbusse
    rv/duedates.aspx#
- Tuition and Fees Statements will process in mid July. Check your Account Summary from the WebRaider Portal for information on your tuition and fee account.

- We are all very excited to have you join the Texas Tech School of Pharmacy Family!
- Contact us if you need anything!
- Have a wonderful summer!
