

Welcome to Texas Tech University HSC Registration Screen Shots for P1s

Go to WebRaider

<https://portal.texastech.edu/>

Select the **TTUHSC MyTech Tab** (Your screens will be similar.)

Manage My Enrollment and then

Select **Registration**

Then Select **Student Profile** (This screen will show your schedule for the fall semester.) This is a screen you will use for all kinds of information!

You should be registered in 20 credits. I will attach an Enrollment Sheet for you to compare. You should have 7 courses and 2 labs.

Go back to the **Registration** Screen

	Science and Calculations	PHAR 1460	Science and Calculations	IP	(4) Fall 2022
	Clinical Correlations 1	PHAR 1250	Clinical Correlations 1	IP	(2) Fall 2022

If a course in this section is not "in progress" with the blue icon, please notify your campus person (Allison, Josh, or Lisa) so your registration can be corrected. Their information is below.

Amarillo students please send email to Lisa.bentley@ttuhsc.edu
Abilene students, please send email to Allison.rogers@ttuhsc.edu
Dallas students, please send email to Joshua.burrull@ttuhsc.edu

Next, please go to the **Manage My Finances** section.

Under **Student Business Services**, you can access your **eBill** once it processes later this month. Important tabs like **Paying the Bill Checklist** and **My Direct Deposit** (for direct deposit of your financial aid-if you qualify) are located here.

The next tab is **Student Financial Aid & Scholarships**. This is extremely important if you plan to access financial aid. Keep a close eye on this section and make sure you have supplied all needed documentation.

To see what your week will look like, see the additional attachment, "P1 Fall Semester 2022"

As you can see, you will have a very busy week with class attendance required often from 8 am until 5 pm.

The days and times listed are correct; however, **the Locations may be incorrect due to a cross-listing snafooooo**. Typically, pharmacy students are very detailed and issues like this makes you anxious. It makes us a little crazy, too—okay, it really makes us crazy.) ☺ For example, you may be a Dallas student and it says your classroom is on the Amarillo Campus. We promise not to make you drive back and forth. Please refer to the 2022 Fall Course Schedule for Rooms on your campus.

Amarillo students please send email to Lisa.bentley@ttuhsc.edu
Abilene students, please send email to Allison.rogers@ttuhsc.edu
Dallas students, please send email to Joshua.burrull@ttuhsc.edu

Ta Da! You are done!!

You are registered for your first semester, and August will be here before we know it!!!

Please make sure you are completing all of the tasks on your Orientation Checklist! This is essential!

Thank you so much! Have a great week!

Wreck 'Em Tech!

Lisa, Allison, and Josh
