Statement of Copyright Restrictions:

The copyright law of the U.S. (Title 17, USC) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish photocopies or other reproductions. One of the specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or other reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law. Requested photocopies may be subject to an additional copyright royalty fee.

Note: The TTUHSC Library is a participant of the Copyright Clearance Center.

I am aware of the fee charged for this interlibrary loan and agree to accept any charges incurred.
