TTUHSC Adjunct Faculty Preceptor Benefits

- Receive an Adjunct Faculty Title acknowledging your time and efforts in preparing future pharmacists for their role in healthcare.
- Opportunity to strengthen your own resume or CV with an official designation from the University.
- Access to the TTUHSC Library resources which includes over 35,000 journals and publications—and databases such as Micromedex and PubMed!
- Help the School of Pharmacy meet accreditation standards.
- Free Preceptor CE!
- Experiential staff available on each campus to assist you with questions.

To Receive an Adjunct Faculty Title:

- Precept or assist in the educational experiences of TTUHSC School of Pharmacy students at one of our experiential program sites.
- Submit a CV or resume to Randi King or your local campus Office of Experiential Programs staff.
- Provide your date of birth and social security number to process your information through HR to assign you a TTUHSC identification number.
- Once your TTUHSC identification number is assigned, you will receive your Adjunct Faculty title appointment letter by email along with directions on how to access the online library resources.
