

# Health Care Procedures for Graduate Students

Should you need medical attention you can contact the following facilities:

Critical Emergencies (or after hours):

## **BSA Emergency Center**

1600 Wallace Boulevard  
806/212-2000

Twenty-four hour emergency care is available through our Emergency Center located on the Baptist Campus. For illnesses and injuries which can't wait for an appointment with your family doctor, our staff physicians will see you night or day.

---

Minor Medical Emergencies:

## **BSA Urgent Care Center**

4510 Bell St • 806/212-4835  
Monday thru Sunday  
8 am to 8 pm  
Closed Christmas, Thanksgiving, New Years

The BSA Urgent Care Center provides care for non life-threatening medical emergencies. Located at 4510 S. Bell Street, the BSA Urgent Care Center is designed to meet the immediate medical needs of walk-in patients. Should a patient require more in-depth medical attention, he or she can easily be referred to the BSA Emergency Center, located on the BSA Baptist Campus, within a five-minute drive from the Urgent Care Center.

Non-Emergency Health Care Needs:

## **Texas Tech Center For Family Medicine**

1600 Wallace Boulevard  
806/212-3500

The Department's ambulatory care facility, the Center for Family Medicine (CFM), is located in BSA's Baptist Campus at 1600 Wallace. The CFM's academic and faculty practices provide primary health care services for the entire family; newborn health care to senior adult health care, including obstetrical and gynecological services. In addition, the CFM practices provide referrals for specialty health care needs.

Currently, the CFM hours of operation are from 8:00 am to 5:00 pm, Mondays through Fridays. Call 212-3500 for appointments.
