Factors used to set fees:

- Equipment is generally in use approximately 10 hrs/week, or 520 hrs/year.
- Hourly rate for technician includes full cost of salary plus anticipated training expenses.
- Service contracts provide for all preventative maintenance and repair at no additional cost.
- Preventative Maintenance contracts provide only for maintenance. Any repairs or replacement parts are extra.

This fee table may be revised at any time by the Office of the Senior Associate Dean for Sciences.
