## **NOMINATIONS OPEN – July 26, 2021**

An overview of the responsibilities for the position are as follows:

### Resident Self-Governance

- At the beginning of the residency year, residents will elect **two** chief residents for the Abilene/Dallas campuses, and **one** for the Amarillo/Lubbock campuses.

### Candidate eligibility requirements:

- PGY2 Residents

### Responsibilities of the **chief resident** will include, but are not limited to:

- Serve as a liaison between the residents, program directors, and Vice Chair
- Participation in the Resident Advisory Committee monthly meetings
- Scheduling and leading the resident meetings, including agendas and minutes
- Coordinate the resident discussion series and other resident-driven discussion group activities at resident meetings
- Meeting with the Vice Chair for Residency Programs periodically
- Maintaining residency-specific calendars/website information
- Determine the residency committees for the year and preside over meetings
- Provide reminders for all residency programs related deadlines
- Demonstrate leadership characteristics by holding all residents accountable for professional and ethical behavior
- Notify the Vice Chair for Residency Programs regarding breaches in professional or ethical behavior by fellow residents
- Coordinating group activities at commonly attended functions (i.e. ASHP Midyear, ALCALDE, Research Days) and end-of-year activities including graduation for the residents
