Subject: All School Pharmacy Residency Information Session * Save the Date * August 29th
Categories: In Progress, FYI, Important

Dear students,

Hello! Dr. Pass and I will be presenting a program to introduce Pharmacy Residency Programs and the application process on **Wednesday, August 29**, immediately following Grand Rounds for all students around 5 pm. The session will include general residency information, a review of program and application requirements and the application (PhORCAS) process in the first hour. This will be a great introduction for P1 and P2 students along with a potential refresher for P3 and P4 students. During the second hour we will discuss how to develop a curriculum vitae, write letters of intent for the residency match process, and who to seek out for letters of recommendations. This second hour will be focused on P4s and potentially P3s who want to get a jump start for next year. Faculty and current residents will be available on all campuses to help with additional information and questions that you might have. If you are unable to attend, the session will be recorded and posted on the TTUHSC SOP residency information for students website provided below.

Pharmacy Residency Information Session

Wednesday, August 29, 2018

5-7 pm for P3 and P4s

5-6 pm for P1 and P2 students
